

Position Title: Slabsmith Photographer

Reports To: Ryan Mundschau
2nd Shift Stone Shop Foreman

Location: KG Stevens
11100 W. Silver Spring Rd.
Milwaukee, WI 53225
262-432-1060

Job Summary:

KG Stevens is the largest solid surface and granite/quartz fabricator in Wisconsin and due to our tremendous growth, we are looking for a 2nd Shift Slabsmith Photographer to join our team! Our company is comprised of over 110 dedicated employees serving the commercial and residential building & remodeling industries.

If you have a keen eye for detail, computer and mechanical aptitude, and a strong desire to establish themselves in a new career, we would enjoy meeting with you to discuss the tremendous opportunities we have to offer at K.G. Stevens.

Daily Responsibilities:

- Use overhead crane to load and unload stone and quartz slabs onto an evaluation/photo station
- Create high resolution digital images of our inventory from physical slabs
- Calibrate Slabsmith camera as needed to ensure image quality
- Visually inspect and verify quality of raw materials received for fabrication
- Use tape to accurately mark areas of concern on slabs of granite, marble, quartz, etc.
- Accurately maintain inventory related information in a computer database
- Clean work area to ensure cleanliness and safe working conditions are maintained
- Perform minor maintenance on tools and equipment to ensure safe and effective operation
- Follow all Company Policies & Procedures and adhere to all OSHA protocols
- Assist with various other duties as needed

The Ideal Candidate Would Have the Following Experience:

- Previous work in a manufacturing environment
- Experience operating an overhead crane
- Basic computer literacy

Qualifications:

- High school diploma or equivalent
- Possess a great attention to detail
- Time management and ability to multi-task
- Ability to follow instructions, read paperwork and communicate with others to complete tasks
- Ability to work independently with little supervision
- Be safety conscious

- Commit to work on time and retain communication with the Shop Foreman
- Have a positive attitude, possess a strong work ethic and have a desire to work with and help others achieve our production goals

Working Conditions

While performing the duties of this job, the employee may occasionally be exposed to airborne particles and moderate to high noise levels while in the shop. Safety equipment is provided for employees that will be in these areas. In addition, the employee will be standing for long periods of time and must be able to handle hot and cold temperature changes.

Physical Requirements

While performing the duties of this job, the employee will occasionally need to lift or move objects over 70+ pounds. Must be able to properly grasp, feel, bend, reach and lift without reasonable accommodations.

Why Join Our Team:

With the growth of the company, new and exciting projects are limitless, and we are looking for someone with the skill set, creativity and technical skills to continue helping us grow. This position brings opportunities to prove your capabilities and learn from other experienced industry professionals while working in our new state of the art manufacturing facility featuring some of the most advanced equipment available.

We continue to employ great employees by:

- Offering a full-time position with competitive pay based on experience and qualifications, job stability, and opportunities for advancement
- Having a comprehensive benefit package that includes:
 - Health Insurance with employer premium contributions
 - Dental/Eye insurance
 - Life Insurance
 - Short Term Disability
 - Paid time off
 - Holiday Pay
 - 401K, with employer contribution
