KG STEVENS
2026 FIRST EDITION

Leadership Message

As we begin a new year, we want to take a moment to reflect on where we've been and, more importantly, where we're headed.

Over the past year, our focus has been on strengthening the foundation of our business to support long-term growth. We've made intentional investments in our team, our equipment, and our processes so we can operate more efficiently and deliver an even better experience for our customers. With growth comes change, and we've embraced that opportunity to refine how we work, collaborate, and serve.

We are proud of the progress we've made and confident in the direction we're moving. Our business is strong, fully operational, and committed to continuous improvement, with our customers at the center of every decision.

We would like to sincerely thank our customers, account partners, and employees for an important year and for your patience and trust as we continue to grow and evolve. Your partnership allows us to keep raising the bar, and we're excited about what lies ahead.

We look forward to another year of progress, collaboration, and shared success.

— Leadership Team

By the Numbers

- Years in Business: 28 years
- Projects Completed in 2025: 3171+
- Employees Across the Organization: 126 and growing

Colors for 2026!**

The Jude by Stepping Stone Homes

We were honored to be part of the beautiful St. Jude Dream Home in Menomonee Falls, providing the countertops for this award-winning project. Recently recognized by the Metropolitan Builders Association with Best Overall Home – Silver Award, Best Landscaping/Hardscape, and Builder of the Year 2025, this home showcases thoughtful design throughout—from the chef’s kitchen to charming, kid-inspired details.

The Residential Sales Team

The Residential Sales Team is built on deep roots in both design and fabrication. With hands-on experience across materials, manufacturing processes, and real-world production challenges, the team brings far more than sales expertise to every project. They understand how ideas are designed, how products are built, and what it truly takes to deliver solutions that work in the real world. This depth of knowledge allows the team to collaborate closely with partners and clients, translate creative vision into tangible results, and ensure every project strikes the right balance between innovation, craftsmanship, and quality.

What our customers are saying...

“There are not many truly customer oriented companies, but KG Stevens is one of them. They listen, respond and care about their customers and having them walk away from the project happy and satisfied.” – Michelle N.

Looking Ahead

As we move further into 2026, our focus remains on:
-Delivering exceptional projects -Supporting and growing our team -Strengthening relationships with customers and partners -Continuing to invest in our future

Thank you for being part of our continued success.
